New Delhi, IN 110003 | 9079933627
tyagiyogesh848@gmail.com

Dynamic Web Developer with a proven track record at a personal project, specializing in website optimization and application debugging. Expert in Tailwind CSS, TypeScript, and Next.js, I successfully transformed mockups into high-performance web applications, enhancing speed and security while ensuring a seamless user experience. Strong analytical skills drive my commitment to excellence.

Skills

- Website optimization
- Website analytics tools
- Application debugging
- Software testing

Professional Experience

Web Developer

Personal Project, (Remote)   *May 2025 - June 2025*

- Coded websites using Tailwind CSS, TypeScript, and Next.js.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, AJAX, and JSON coding.
- Optimized web applications for speed, scalability and security.
- Ran debugging tools to eliminate flaws and glitches prior to publishing.
